May 10th 2019

**A YELLOW RIBBON ON THE LEFT SIDE MIRROR SHOWS THAT
YOU SAY THANK YOU**

(a handshake also means a lot or maybe a dear word)

Thank you dear professional driver that you are always on the road for us and take care of us. Without you we would have no food, no clothes, our children you take safely to school. Thank you for every transport you do for us in difficult situations.

Thank you very much for your help in giving the professional drivers a smile back.
